

# LEARNING TO PRESENT

## 4-DAY 'MASTER CLASS' TRAINING WORKSHOP

# The I.S.C.A.

## Advanced Award In Safety Coach Training Techniques

LEARNING TO DELIVER ENGAGING SAFETY TALKS IN THE WORKPLACE

- CONTENT DELIVERY
- STYLE & PRESENCE
- TIMING & PLANNING

**LEARNING HOW TO DELIVER:**  
 Engaging Tool Box Talks  
 Memorable Safety Inductions  
 Engaging Safety Meetings

Designed for existing I.S.C.A. active Safety Coaches wishing to develop their coaching skills further to develop a strong safety culture in the workplace.

Expert instruction by a MindSafety Train-the Trainer presenter in a micro-teaching environment learning step-by-step how to present the material.

**AN EXCLUSIVE MINDSAFETY COURSE**

Full resource pack provided to each delegate, including presentation slides, Speaker Notes & a start-up pack of session handouts.

Learning how to teach a group about the essential 'Key Messages' in a dynamic, effective and memorable format focusing on Tool Box Talks, Safety Inductions & short Safety Group Talks and Briefings.
